PRODUCTS & SERVICES

Electrical (EPC Services)

- MV/LV Switchgear
- GIS & Metal Clad Switchgear
- Power Transformers
- Motor Control Centers (MCC)
- Energy Management System
- Current Transformers
- Voltage Transformers
- Relay Control and Protection Panels
- MV/LV Capacitor Bank Systems
- MV/LV Variable Frequency Drive (VFD)
- Industrial UPS System
- Power Distribution Systems
- Busway and Busduct
- Lightning Protection System
- MV/LV Power Cable Splicing & Termination
- Electrical Upgradation & Revamp Projects
- Testing and Commissioning

Instrumentation & Automation (EPC Services)

- DCS / ESD Systems
- PLC / SCADA Systems
- Instrumentation Panels
- Remote IO Panels
- Interposing Relay Panels
- Analyzer Systems
- Marshaling and Local Control Systems
- Impulse, Pneumatic & Instrument Tubing
- Thermocouple, RTD Sensors, Vibration sensors
- All Field Instruments (Flow, Pressure, Level, Etc.)
- All Types of Valves and Actuator
- ATS & Synchronization Panel
- Intelligent MCC Panels
- Automatic Power Factor Correction Panel (APFC)
- Special Purpose Machine Control Panels
- Upgradation & Revamp Projects
- Testing & Commissioning

Mechanical (EPC Services)

- Heavy Machinery Installations
- Motor Installation & Alignment
- Compressor Installation
- Pneumatic and Instrument Air Piping
- Mechanical Piping
- Pipe Fabrications and Modifications
- Structural Fabrications for Equipment's
- Oil Flushing/Chemical Cleaning /Purging
- Air Head Modification
- Hydraulic Line Modification
- Skid Assembly and Installation
- Cold / Hot Tapping
- Valve Replacement & Installation
- NDT

Civil (EPC Services)

- Site Management & Supervision
- Civil Construction for E&I
- Foundation for Equipment's
